

AMAR ANAND, M.D.

EDUCATION

Neuroimaging Fellow, DENT Neurologic Institute Buffalo, New York	July 2017 – June 2018
Neurology Resident, University of South Carolina Palmetto Health Columbia, South Carolina	July 2013 – June 2017
Doctor of Medicine, M.D., St. George's University School of Medicine West Indies, Grenada	Jan 2009 – May 2013
Premedical Program Graduate, St. George's University School of Medicine West Indies, Grenada	Jan 2008 – Dec 2008
Saint Mary's College of California Moraga, California	Aug 2005 – May 2007

RESEARCH

NAVIGATE ESUS: Rivaroxaban Versus Aspirin in Secondary Prevention of Stroke and Prevention of Systemic Embolism in Patients With Recent Embolic Stroke of Undetermined Source Site sub-investigator, principal investigator: Souvik Sen, M.D. <i>Palmetto Health Richland-USC</i>	2015 – 2017
ATACH-II: Antihypertensive treatment of cerebral hemorrhage Site sub-investigator, principal investigator: Souvik Sen, M.D. <i>Palmetto Health Richland-USC</i>	2014 – 2017
SOCRATES: Acute Stroke Or Transient Ischaemic Attack Treated With Aspirin or Ticagrelor and Patient Outcomes Site sub-investigator, principal investigator: Michelle Androulakis M.D. <i>Palmetto Health Richland-USC</i>	2014 – 2017
COMPASS: COMParative effectiveness of treatment options using Propensity score methods in cervical Artery dissection Site sub-investigator, principal investigator: Souvik Sen, M.D. <i>Palmetto Health Richland-USC</i>	2014 – 2017
CAPS2: Change in Antiplatelet Therapy in Prevention of Secondary Stroke Site sub-investigator, principal investigator: Souvik Sen, M.D. <i>Palmetto Health Richland-USC</i>	2014 – 2017
PRISM: Potential of rtPA for Ischemic Strokes with Mild Symptoms Site sub-investigator, principal investigator: Souvik Sen, M.D. <i>Palmetto Health Richland-USC</i>	2014 – 2017

Clinical and Microbiological Outcomes of Infections due to Carbapenem-Resistant Gram-Negative Bacteria.

2011 –2012

Research assistant, principal investigator: Samir Sarkar
Jamaica Hospital Medical Center, Queens, New York

CONFERENCES, PRESENTATIONS & ABSTRACTS

- A Penny for Your Thoughts- case series and discussion of dorsal spinal cord lesions** Amar Anand M.D., Rick Magun M.D., Amir Mazhari M.D., Laszlo Mechtler M.D. February 2018
Poster presentation, American Society of Neuroimaging, Austin, Texas
- High Grade Critical Basilar Stenosis in a Young Female with History of Systemic Lupus Erythematosus and Basilar Migraine** Rick Magun M.D., Amar Anand M.D., Amir Mazhari M.D., Laszlo Mechtler M.D. February 2018
Poster presentation, American Society of Neuroimaging, Austin, Texas
- Neuroimaging Challenges of Primary CNS lymphoma** Amar Anand M.D. January 2017
Poster presentation, American Society of Neuroimaging, Los Angeles, California
- An Interesting Case of Limbic Encephalitis** Amar Anand M.D. October 2015
Poster Presentation, Annual South Carolina Neurological Association, Charleston, South Carolina
- An Interesting Case of MELAS** Amar Anand M.D. October 2014
Poster Presentation, Annual South Carolina Neurological Association, Asheville, North Carolina
- Complex Regional Pain Syndrome** Amar Anand M.D. August 2014
Case Conference, Department of Neurology, University of South Carolina Palmetto Health, Columbia, South Carolina
- HINT Exam for Posterior Circulation Stroke** Amar Anand M.D. July 2014
Journal Club, University of South Carolina Palmetto Health, Columbia, South Carolina

PROFESSIONAL EXPERIENCE

Sol Medical California, Chief Medical Officer Walnut Creek, California Vallejo, California	June 2023 – present
Integrated Neurology & Pain Management Walnut Creek, California Vallejo, California	July 2020 – present
Neurologist, An Anesthesia & Pain Management Medical Corporation Walnut Creek and Benicia, California	July 2018 – present
Comprehensive Spine & Sport Center Oakland, California Campbell, California Modesto, California	June 2021 - May 2023
Neurologist, East Bay Neurology Walnut Creek, California	August 2018 - August 2021
Virtual Consult M.D., Medical Director of Neurology. Evansville, Indiana	December 2017–March 2021
Extern, Delta Bay Surgery Center Benicia, California Training in sports medicine, musculoskeletal, interventional pain and orthopedic surgeries. Hands on experience with epidural steroid injections, radio-frequency ablation, kyphoplasty, spinal cord stimulator trials/permanent implants, operating fluoroscopic C-arm	December 2010 – 2017
Extern, Canyon Pinole Surgery Center Pinole, California Hands on exposure with interventional pain, orthopedic, podiatry and plastic surgery	June 2008 – July 2009
Extern, An Anesthesia & Pain Management Medical Corporation Benicia, California	May 2003 – July 2010
Sports Medicine Athletic Trainer, Mt Diablo School District Walnut Creek, California	Aug 2003 – June 2005

SELECTED HONORS, AWARDS & SCHOLARLY ACTIVITIES

Multidisciplinary Pseudotumor Clinic Quality Improvement Project Department of Neurology University of South Carolina Palmetto Health	July 2015
Post-Stroke Spasticity Clinic Practice Based Improvement Project University of South Carolina Palmetto Health	July 2014
Fastest Door to Needle Time 2016 University of South Carolina Palmetto Health	2016

Fastest Door to Needle Time 2015 2015
University of South Carolina Palmetto Health

1st place in Poster Presentation 2015
Annual South Carolina Neurological Association
